PETITION

The Honourable the Speaker and Members of the Legislative Assembly of Queensland.

The Petition of the Citizens and Residents of the State of Queensland draws to the attention of the house:
Their concerns at the negative environmental and social effects of a Marina and associated development in the Marine Stadium resulting in the loss of public open space on The Spit, Gold Coast as a result of this proposal.

Your petitioners therefore request the House to:
Respect the wishes of the community and refuse any applications for a Marina in the Marine Stadium and supporting commercial development on the public open space on The Spit or other Broadwater foreshore.

Amend by gazettal action the purpose of Reserve 2790, inclusive of Doug Jennings Park and the Marine Stadium, to Park and Recreation, to better reflect the current community use of this land and protect this area from development for future generations. That there be no development North of the Seaworld Nara and the Sheraton Mirage, Seaworld Drive The Spit. That the southern most boundary of the Morton Bay Marine Park be extended South to include the Gold Coast Seaway.

Further we seek a commitment from the House to allocate funds to manage the public open space Reserves of The Spit and other Broadwater foreshores as natural areas for the benefit of residents now and in the future

Principal petitioner: Lois Levy, 2/6 Yeramba Place, Tugun 4224
